- Gives feedback signal for closed only.
- Order item numbers for actuator and status signal.
- Status signal is installed in the Actuator case at the factory.
- UL actuators are still UL recognized with status signal added.
- For FM tandem drives with locking motor on request.

	Item No.
FM Status signal Closed	50000824

Custom Colors

In addition to standard colors, other powder-coated paint colors are possible. Specify color using RAL color system (www.RALcolor.com). Expect extra lead time; no minimum quantity required. In addition to actuator cost, the following special fees apply:

27000497-RAL	Custom RAL color setup fee	\$250 per color/project
2600000-RAL-ACTU	Custom RAL paint	\$25 per actuator
2600001-RAL-BRAC	Custom RAL paint	\$10 per bracket
